

# Our College Best Practices

## Environment consciousness

1. NSS unit of our institution encourages the motto of "Let's go green" by planting more trees in the campus.
2. Environment day is observed on every year.

## Energy conservation

1. Our institution takes much effort to minimize energy consumption.
2. To save energy, LED bulbs are used in the campus.
3. Solar lights are also supporting for energy conservation.

## Swachh Campus-Green Campus

1. NSS unit of our institution organizes tree plantation activity regularly.
2. We plant Neem Peepal and Vadhani trees which help to become a green campus.
3. They periodically involved in campus cleaning work.

## ASAP (Additional skill Acquisition Programme)

### Innovation in teaching learning

This includes Information and Communication Technology (ICT) enabled teaching. Continuous assessment through tests, assignments, seminar, quiz, Group discussions, field visit etc.

### Coaching for competitive examinations

To enable the students the college can introduce coaching classes for TNPSC, IBPS, RRB, NET/SET, etc.,

### Language lab

Digital language lab can be set up to enhance the communicative skills of students.
